What I share

- **AI & tech:** apps and tools that save time, boost productivity and make everyday life easier.
- **My journey:** from a 17.12/20 BAC to computer science at ESI, then studying and working in France as a software engineer.
- **For students:** tips and guides to help students shine and get top grades.
- **Engineer life:** my daily life as a software engineer living alone: work, gym, cooking and the discipline behind it all.
